📇 ABOUT

   I'm a young developer in the technology area, I'm always looking to improve myself and also an opportunity to demonstrate and develop my talents.
   I keep learning the technologies and always putting them into practice, in order to gain experience in the area and evolve my skills as a whole – soft and hard skills.

🎓 FORMAÇÃO

Federal Institute of Pernambuco   2021 – Present | Paulista, BR
    Análise e Desenvolvimento de Sistemas - 3° Período
